

Holy Trinity Catholic School Summer Math 2019

Summer Math Skills

A solid foundation in the memorization of addition, subtraction, multiplication and division of whole numbers is essential to help young students successfully apply more demanding math concepts and procedures, and move into applications. Please support activities to help your children build mastery, fluency and confidence during the summer months. As part of a summer skill building and retention, the following prerequisite math skills for the beginning of the 2019-2020 school year are outlined below. Saxon Math re-teaching pages are available for current families on the class websites until June 8, 2019.

Grade Student is Entering	Skills	Helpful Websites
Second	Memorize and instant recall of one digit addition and subtraction facts 1-9	http://www.harcourtschool.com/activity/thats_a_fact/english_K_3.html www.mathfactcafe.com http://www.mathisfun.com/ http://www.abcya.com/
Third	Memorize and instant recall of all one digit addition, subtraction, multiplication and division facts 1-12.	http://www.harcourtschool.com/activity/thats_a_fact/english_K_3.html www.mathfactcafe.com http://www.aplusmath.com/Flashcards/index.html https://www.ixl.com/math http://www.fun4thebrain.com/index.html https://www.khanacademy.org/math
Fourth	Memorize and instant recall of all one digit addition, subtraction, multiplication and division facts 1-12.	www.mathfactcafe.com https://drive.google.com/drive/folders/18qI5eup9qUKi3qVW3aN_HQjaFsTyRdWL?usp=sharing Reteaching and Answers for 4 th grade students who used the Saxon Intermediate 5 textbook during the 18-19 school year
Fifth	Memorize and instant recall of all one digit addition, subtraction, multiplication and division facts 1-12.	www.mathfactcafe.com https://drive.google.com/drive/folders/18qI5eup9qUKi3qVW3aN_HQjaFsTyRdWL?usp=sharing Reteaching and Answers for 5 th grade students who used the Saxon Course 1 textbook during the 18-19 school year
